

IRA Charitable Distribution

Leave a Lasting Legacy During Your Lifetime

Taxpayers age 70 1/2 years and older have a unique opportunity to give back to their community. These individuals can transfer up to \$100,000 from their IRAs to qualifying public charities, without having to recognize any of that distribution as income. The IRA Charitable Distribution is a tremendous tax-free gift option for community-driven philanthropists.

Your contribution **CAN** go toward:

- Unrestricted Funds
- Field of Interest Funds
- Designated Funds

Your contribution **CANNOT** go toward:

- Donor Advised Funds
- Supporting Organizations
- Private Foundations
