

CALLING ALL SENIOR NONPROFIT STAFF

THE GREATER KANAWHA VALLEY FOUNDATION
PRESENTS

Building Bridges

Leadership Institute

Leaders and staff of nonprofits often operate in a world of shifting contexts related to social conditions, funding, and these days, a multi-year pandemic. This session explores the difference between technical solutions, which often look like quick fixes to keep programs running like clockwork, and adaptive change, which allows organizations to explore themselves systemically and recognize steps toward a deeper transition. Donna Daniels will share leadership insights from her own journey.
