

CALLING ALL SENIOR NONPROFIT STAFF

THE GREATER KANAWHA VALLEY FOUNDATION
PRESENTS

Building Bridges Leadership Institute

We promise this won't be your same old boring treatise on Human Resources management. Our presenter is a practical HR Advisor with a wealth of experience who dares to buck the system (does it ever really work to make an employee feel bad about themselves so they'll improve?) and present an unconventional view of HRM – one that concludes you can't manage anyone else until you give serious consideration to managing yourself.

From her studies on “Five Things This Expert Witness will NEVER do . . . again” “How I Made Buckets of Money as the World's Worst Waitress”, to “600 Terminations and Sued Only Once”, Bernie will glean the most important things she has learned and share them in this concise, upbeat session. “HR Secrets I Only Share with My Friends” has been specifically designed for this session and intended to leave you understanding a little more about the encompassing aspects of Human Resources Management.
